MC² Sophomores Tour Omaha Businesses

Twelve MC² Members, mostly sophomores and a few older students who had not been on this tour before, went to Omaha for business tours on November 6. Students listened to speakers and toured First National Bank of Omaha, Bozell Marketing, and the Henry Doorly Zoo. Students learned about various careers and workplace cultures/environments. We had lunch at Spaghetti Works in the Old Market! A big thank you to Mike Bauer for setting these up and to Mike and Lori Knight for helping chaperone!

Community and Workforce Development Follow Up

We greatly appreciate all who attended our Community and Workforce Development Presentation Luncheon! Also, a thanks to those who were unable to attend but reviewed our packet.

If you did not receive a packet and would like one, please contact Kim Leininger at 712-215-1505 or leiningerk@shenandoah.k12.va.us. I will attach the main program part of the packet with your newsletter e-mail.

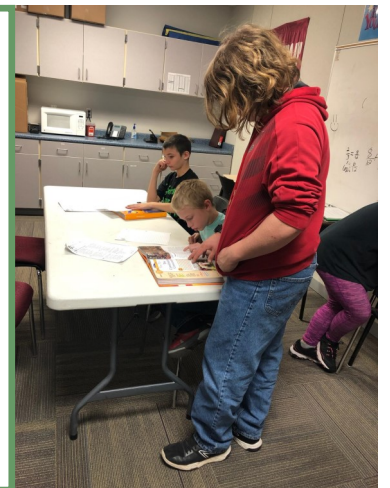

*We have received many new 3 year agreements and we greatly appreciate these! There are also some businesses and individuals who have been past 3-year agreement supporters that we have not heard from. **If you are willing to make a 3-year pledge agreement or even a one time pledge and have not done so yet, I will attach the pledge agreement to this newsletter e-mail also.** We, of course, would LOVE new agreements from new businesses and individuals as well. Any amount is appreciated!*

One of the goals of our presentation was to demonstrate that financial support for mentoring is truly an investment in our community's future! We hope you believe that mentoring does make a difference!

**“We make a living by what we get,
we make a life by what we give.”**

#GIVINGTUESDAY™

December 3, 2019

As we celebrate Thanksgiving and look forward to Christmas and the New Year, let us be mindful of our blessings and consider ways to help others.

There are many ways we can do that.

Please consider supporting mentoring either with a one time financial pledge, a 3-year commitment as a Community and Workforce Development Partner with M.A.Y. or by becoming a mentor.

There are many young people in our community that can use and may NEED some extra attention, support and encouragement.

You can make a positive impact by supporting mentoring!

Giving Tuesday, often stylized as #GivingTuesday for the purposes of [hashtag activism](#), refers to the [Tuesday](#) after [U.S. Thanksgiving](#) in the United States. It is a [movement](#) to create an international day of charitable giving at the beginning of the [Christmas and holiday season](#).^[1] Giving Tuesday was started in 2012 by the [92nd Street Y](#) and the [United Nations Foundation](#) as a response to commercialization and consumerism in the post-Thanksgiving season ([Black Friday](#) and [Cyber Monday](#)). The date range is November 27 to December 3, and is always five days after the holiday. Wikipedia
