The narrative portion of the application is carefully reviewed for content as it relates to the Rotary Motto and Rotary Four-Way Test. The Rotary Motto is SERVICE ABOVE SELF. The Rotary Four-Way Test, which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do:

Mary Louise Gidley Scholarship Trust Fund Loan

The Mary Louise Gidley Scholarship Trust Fund is a loan available annually to senior high school students, college students, and persons desiring vocational training, who are in need of financial help and have no reasonable source of financial assistance. Recipients must possess good character, possess scholastic and academic aptitude, and have a strong desire for higher education, and vocational or career training.

Scholarship loans are available for up to \$1,500 per fall-spring academic year, and \$750 for summer classes for students who are graduating or have graduated from Shenandoah Community High School. Loans may also be available for internships.

Recipients must reapply annually and all former applicants are eligible for new funding. If more applications are received than money is available, trustees may limit loans to one per family.

Applications are available April 15 from the School Counselor and are to be filed with Gary Gee at 102 S. Elm, Shenandoah, before June 1.
