I have attached a copy of the school calendar for the 2016-2017 school year so you can plan accordingly. We are also working on setting up some bus stops along the district boundary lines that will help families that will reduce the distance and make transportation as convenient as we can. These locations will be announced when we know more about where our new families are located.

Many of our new families have inquired about registration and course selection. If you are brand new to the district, we invite you to register April 20th from 4:30 PM to 7:30 PM. You will **not** need to come on these dates if you are a **returning** student. If possible, please bring a copy of your previous transcript with you if you are a High School student.

If you are unable to attend on this date, please call or email the building principal to schedule a time to register. If you have received this letter and you are not planning on attending Shenandoah CSD, you do not need to respond or register on April 20th.

There are a number of student activities we would encourage you to consider as options for your child. This information will be available at registration.

Please let us know if we can assist your family with this transition. We are looking forward to having you as part of our district and getting to know your family.

Sincerely,

Dr. Kerri Nelson
